## Level Descriptions

**Snowplow:** For very beginning skaters for ages 3-5 years old. There are 4 levels within the snowplow level. Once they pass all four levels or reach the age of 6, they will then move up to the basic skill level.

*\*(Please note that snowplow classes **start 10 minutes after classes start**. They then spend 5 minutes off ice with their coach, checking skates, going over elements in the class, & then proceed onto the ice for 30 minutes of skating)\**

**Basic Skills:** For beginning skaters for ages 6 and up. There are 6 levels within the Basic Skills level. All skaters with little to no experience will start at Basic 1. Skaters with some experience or have been enrolled in a

skating program before will be placed in the level they have passed into or matches their skill set.

**Pre-Teen:** This class is the Basic Skills levels described above in a class setting with skaters above the ages of 11 years old.

**Adult:** This class is for skaters 18 & older. For adults that have never skated wanting to learn, or have previous experience looking to improve their skating.

**Pre-Freeskate & Freestyle** *\*For Skaters that have passed all of the Basic Skills Levels (Basic 1-6)\**

**Pre-Freeskate:** Is the introductory class prepping the skater for the freestyle classes.

**Freestyle:** Skaters will begin to learn the basic jumps, spins, and transitional elements in figure skating.

**Intro to Synchro:** This classes introduces skaters to Synchronized Skating! For further details go to our website and contact Synchro Coach Christina A.

**Power Class:** A high intensity class for levels Basic 5 and up. Designed to increase speed, stamina, skating skills, and strength!
